## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-12, 14-17, 24-25 are allowed.

The following is an examiner's statement of reasons for allowance: The Applicant's invention is directed to a method of granting first user and second user access to information. The Applicant arguments regarding the Shambroom(U.S. Patent 5923756) reference not having a access by the second user to specific information forming a subset of all information is persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
